Hi Hayley

Unfortunately, I have been told that the application will not be reallocated until next week due to resourcing issues. I will be on leave then but please feel free to contact the Area Team Leader, Maria Shoesmith (mshoesmith@uttlesford.gov.uk), in my absence.

I appreciate that this delay will be frustrating and can only offer my apologies.

Kind regards

Luke

Afternoon Luke,

Sorry for the delay in coming back to you. I have been off sick all week.

I am sorry to learn that you will be leaving the application at this late stage, but wish you good luck in your new role. If you could please let me know as soon as possible who the new case officer is, and their contact details, because it would obviously be useful to speak to them as soon as possible with the Committee date looming.

Many thanks and kind regards

Hayley

Hi Hayley

I understand that you are anxious for an update on the above application and the timescale for a decision.

I'm afraid I will no longer be the case officer for the application because I have now started a new role in the Garden Communities team. I had hoped to provide you with the details of the new case officer at this point but unfortunately this will not be possible until after I meet with my manager later this week.

Please note that I will be available to assist the case officer with any queries and will endeavour to ensure a smooth handover.

Kind regards

Luke
