Dear Sir

COMMUNITY GOVERNANCE REVIEW OF PARISHES - ELMDON & WENDEN LOFTS PARISH COUNCIL

The Parish Council considered the above review at the meeting held on 17 June 2021 and wish to advise Uttlesford District Council of the resolution made at that meeting, prior to the end of the consultation period on 30 July 2021. The resolution at Minute 21:52 (b) of that Parish Council meeting is as follows:

RESOLVED that.... b) the combined view of Elmdon & Wenden Lofts Parish Council on the Review of Parishes be submitted to Uttlesford District Council before 30 July 2021 as follows,

- i. The number of councillors for Elmdon & Wenden Lofts Parish Council remain at seven,***
- ii. The current Parish Council be renamed Elmdon, Duddenhoe End and Wenden Lofts Parish Council,***
- iii. The wards comprising Elmdon & Wenden Lofts Parish Council remain unchanged, and***
- iv. There be no change to the boundary of Elmdon & Wenden Lofts Parish Council.***

Please will you ensure that the view of the Parish Council, with emphasis on items ii and iii above, is given all due consideration when the district council finalises a report on this issue. The Parish Council were very keen that the name of the Parish should actively reflect the make-up of the area but were anxious not to lose a connection to the past.

I did attempt to enter the above into the facility provided on the Uttlesford web site but there was not the capacity to go into the detail we wish to report, as shown above.

Please let me know if you require any further information.

Yours faithfully,

Sheila Jones
Clerk to the Parish of
Elmdon & Wenden Lofts.
