

Local Authority Planning, NHS England, Clinical Commissioning Group Contact Directory for Essex – December 2013

For **all** planning applications to the NHS as statutory consultees please send to: Essex.support@property.nhs.uk

This excludes the Minerals and Waste Planning. These should be sent to the Consultants in Public Health (details below).

Please Note - any consultation or engagement made pursuant to the statutory Duty to Co-operate for Plan-making should be made to the relevant authority's Clinical Commissioning Group (CCG) Consultant in Public Health contact and also copied to NHS Property Services.

The contacts below have been provided should there be any specific matters that require action related to planning or health facilities within a local authority area.
