Gypsy and Traveller Issues and Options

1 Gypsy and Traveller Issues and Options

Question 1
Do you agree with the suggested vision and objectives for Gypsy and Traveller sites?
(please select one answer)
Yes .......................................................... ○ No ......................................................... ○

If no, how would you like the Vision/Objectives to be changed?

Question 2
Do you agree that there is no need for Travelling Showpeople households up to the year 2033?
(please select one answer)
Yes .......................................................... ○ No ......................................................... ○

Question 3
There are no key traveller routes in the Uttlesford District. Do you agree that it is more appropriate to provide transit sites on key traveller routes?
(please select one answer)
Yes .......................................................... ○ No ......................................................... ○
1 Gypsy and Traveller Issues and Options

Question 4
The Council has identified a need for 26 pitches for Gypsies and Travellers. If you don't agree what evidence can you provide to justify your view?

Question 5
Do you agree that the Council should identify sites to meet its own needs within the District boundary?
(please select one answer)

Yes .....................................................  ○ No .......................................................... ○

If no, what evidence can you provide to justify your view?
Question 6
Do you support the methodology which the consultants have used to assess the sites in order to include them in this consultation?
(please select one answer)
Yes ..........................................................  ○  No .......................................................... ○

If no, what different methodology would you suggest for selecting sites? (please specify)

Question 7
How many pitches should be on a site?

Gypsy and Traveller sites should be small with up to 5 pitches  ○

Gypsy and Traveller sites should be between 6 – 15 pitches  ○

Gypsy and Traveller sites containing more than 15 pitches could be appropriate  ○

Other (please specify) ......................................................................................................................

Or do you have alternative suggestions on the size of sites the Council should be considering?
1 Gypsy and Traveller Issues and Options

Question 8

If the Council identify more than enough suitable and available sites to meet needs, how should the Council give priority in choosing which sites to allocate? (please list in order of priority)

☐ sites within and adjacent to existing settlements

☐ sites within those areas where the travelling communities currently live and travel through

☐ sites which are close to or which have easy access to local services

☐ sites which have some other reason to be chosen (please specify below)

Please specify

Question 9

Which local facility is the most important to be close to when identifying sites? (please list in order of priority)

☐ Health centre

☐ Shop

☐ Primary School

☐ Other (please specify)
Question 10
How should the Council plan for sites beyond the first five years?

- Identify specific developable sites .................................................................
- Identify broad locations for growth across the district .................................

Question 11
Please indicate the best ways of delivering Gypsy and Traveller sites

- Granting permission to existing Gypsy and Traveller sites which currently don't have permission (i.e. they have temporary permission or are unauthorised) (delivery model 1)
- Extending or putting more pitches on existing Gypsy and Traveller sites (delivery model 1)
- Identify new sites for Gypsies and Travellers (delivery model 2 & 3)
- Other (please specify)

Please specify
Question 12

The Council needs to determine whether these sites are available, suitable and achievable for Gypsy and Traveller provision. Do you have any evidence or information to justify your view? Please state which site you are referring to.
Question 13

The Council need to determine whether this site is available, suitable and achievable for Gypsy and Traveller provision. Do you have any evidence or information to justify your view?
1 Gypsy and Traveller Issues and Options

Question 14
Do you have any evidence or information about the sites which have been rejected for Gypsy and Traveller provision?

Question 15
If the Council find that they are unable to identify, from those sites submitted, enough suitable, available and achievable sites to meet local needs for the future, what do you think they should do? (please pick one from the list)

Consider possible sites within the Green Belt ................................................................. ○
Consider other sites (please specify) ............................................................................. ○
Reconsider sites previously rejected in the exercise, provided development would avoid serious impact on the environment ................................................................. ○

Please specify
Question 16

Sites can only be considered if the landowner is potentially making the site available for traveller use.

A site plan and contact details must be provided for sites to be considered.

**Do you know of any other sites which the Council should be considering for future Gypsy, Traveller or Travelling Showpeople uses?**
Question 17

Any other comments?

Question 18

Would you like to be kept informed of progress with the Gypsy and Traveller Local Plan?

(please select one answer)

Yes .......................................................... ○  No .......................................................... ○
