TOWN AND COUNTRY PLANNING GENERAL DEVELOPMENT ORDER 1973 (AS AMENDED)

Direction Restricting Permitted Development of  
approximately 11½ acres of land at Felsted, Essex

W H E R E A S :

(2) Article 3 of the Town and Country Planning General Development Order 1973 as amended (hereinafter called "the Order") permits the carrying out of certain development (as specified in the first Schedule to the Order) upon land to which the Order applies without the permission of the District Council or the Secretary of State for the Environment.

(3) Class IV (2) of the first Schedule to the Order relates to the use of land (other than a building or the curtilage of a building which has been demolished in consequence of war damage) for any purpose except as a caravan site on not more than 28 days in total in any calendar year (of which not more than 14 days total may be devoted to use for the purpose of motor car or motor cycle racing or for the purpose of the holding of markets) and the erection or placing of moveable structures on the land for the purpose of that use.

(4) The use of land for the purposes outlined in the schedule to this direction (hereinafter called "the specified development") is development included in Class IV (2) of the first Schedule to the Order.

(5) The District Council is satisfied that the specified development should not at any time be carried out on the land hereinafter defined unless permission is granted on an application made pursuant to the provisions of the Order because the land is close to some 300 dwellings and the specified use might cause offence by reason of noise, dust and loss of privacy.

NOW THEREFORE the District Council in pursuance of the powers conferred upon them by sub-section (3)(b) of Article 4 of the Order DO HEREBY DIRECT that the permission granted by Article 3 of the Order shall not apply to the specified development in respect of the 11½ acres of land situated on the north side of the B1417 Braintree Road at Sunnybrook Farm, Watch House Green, Felsted in the County of Essex more particularly delineated on the plan attached hereto and thereon edged red

This Direction shall remain in force for six months from 1 January 1975 and shall then expire unless it has before the termination of the said six months been approved by the Secretary of State for the Environment.
