

All dimensions must be checked and confirmed on-site prior to commencement of construction and any inconsistencies to drawings discovered on site must be immediately brought to the attention of the Project Leader

The areas indicated on the drawing are approximate only and are our assessment using the currently available information. Any decisions made on the basis of these assessments, whether as to project viability, letting, lease agreements or similar must be based on dimensions measured by a registered surveyor.

Notes

1. All dimensions shown are in meters unless noted otherwise
2. Do not scale from this drawing
3. This drawing is to be read in conjunction with all relevant drawings and documents
4. Any queries should be directed to the Stansted delivery design team
5. This drawing is use for planning application only
