

## Quendon views with low capacity for change

### View 1

From north of the village on the B1383, looking south towards Quendon. Visually important as a woodland gateway to the village and marking the transition between the Cam valley and the broader flatter landscape to the south, looking into the Conservation Area

### View 2

From south of Quendon at the Junction of the B1383 and Belcham's Lane, looking north.

To the right (east) is Quendon Wood SSSI. On the left are mature roadside trees and hedgerow. The combination provides an attractive drive-through vista

### View 3

From Belcham's Lane looking north, towards the Football Ground. An example of the B7 Debden Farmland Plateau as described in the Essex Landscape Character assessment.

An important open view close to the village and Conservation Area

#### View 4

From just north of Orchard Cottage on Brixton Lane. The view is across Belcham's Lane towards the Football Ground site, which can just be seen centre left.

The same comments apply as to view 3.

#### View 5

Taken from Brick Kiln Lane on the western edge of the village of Rickling Green. The view is looking east alongside Brick Kiln Lane towards Coney Acre.

The view is by the roadside entering Rickling Green from Rickling village

An open 'big sky' landscape view but close to Rickling Green
